**DECLARATION**

I, Yu WANG, whose residence is set forth below next to my name, do hereby  
declare as follows:

1. That I made and conceived the invention described in the U.S. patent  
application identified above.
2. That I made and conceived this invention while employed by GENERAL  
ELECTRIC COMPANY, a corporation of New York, and to whom I have assigned  
all right, title and interest by virtue of a previously-filed Assignment document; that  
the invention is related to the work I am employed to perform and was made within  
the scope of my duties; that the invention was made during working hours and with  
the use of facilities, equipment, materials, funds, information and services of my  
employer, GENERAL ELECTRIC COMPANY.

WANG  
Serial No. (to be assigned)

3. That to the best of my knowledge and belief the invention was not made (conceived or first actually reduced to practice) under terms of any contract, subcontract or arrangement entered into with or for the benefit of the National Aeronautics and Space Administration.

4. I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
